During our excursions to particularly chosen prehistoric sites you will walk on the Footprints of our creators from the time of the past ice age, the "Master architect", and "Lord-Protector of the Earth" Pa.tha-i-da.na Asu.ara <sup>t</sup>Si.dha, and Goddess Ash.tar-ta.ra the Queen of Atlantis.

On site after an introductory reading done by Prof. Zeitlmair we will have Group meditation woven in a remaining magnetic free energy field of the 6<sup>th</sup> dimension from Atlantean times. These are places where you can experience the old vibrations of the former 6<sup>th</sup> dimension, and from where we can enter the still intact gate having a look in direction to the Light.

You will listen to a number of lectures about...

- the history of Atlantis,

- their founders - Queen Ash.tar-ta.ra, and her protector...
- Pa.ta-i-da.na Asu.ara tSi.dha (Poseidon the great creatively designer),
- about our extraterrestrial protectors living on 3 Star-bases in our Solar system, and about the star-like planet Nibiru.

And last but not least you will hear my lesson about...

- us... Humanity,
- Why we are here on this planet,
- our alleged bill of rights we can do what we want on this planet, and
- to whom we have to spend account for our actions!

Therefore this study stay will help you to get a better understanding of history, to open your mind in order to find the road back to your roots, and ancestors. The opening of your mind can help you to end your confusions and provide you with an entirely new perspective on life which will enable you to cope with your present situation in life much better than ever before.

If something in you resonates with the above... listen!

Probably, there is an inner voice that tries to inform you about something important, namely:
