## MESSAGE FROM GRAND MASTER

*"A new Paradigm, does not start out with an old basis and work from there; it starts off with its own song".*

If you have learned with time that your heart is always right, then follow it, if you cannot trust your heart because your ego or brain alters its true direction, then follow only your inner spirit, it is in touch with the cosmic library, forward and backward in time, it sees your possible future timelines, pick the one that has a good end and follow it.

As of September, we have added a new category on the "White Knights page/tab" sub-category "Knights & Apprentices", located at the navigation bar at the top of our website [www.uqd-edu.eu](http://www.uqd-edu.eu) entitled "Inactive or Retired". The categories listed above this new category, are for displaying Knights & Apprentices who are deemed "Active" within the Order. Whilst, if YOU consider yourself an "Active Knight", we kindly request that you make it known to us by sending an Email response to [prof.s.palmer@uqd-edu.eu](mailto:prof.s.palmer@uqd-edu.eu) CC: [patrick@uqd-edu.eu](mailto:patrick@uqd-edu.eu). Those who do not respond within 10 days will find themselves on the "Inactive list", which is non permanent. We cannot express enough the importance of ensuring that we have your latest Email addresses to ensure that you will receive all timely correspondances.

## UQD Foundation News

What is UQD? Our digital University was started up in 1989, in Pasadena, California. The initiative got positive attention from many academics worldwide. Through the years, UQD was involved not just in education and science, but increasingly in projects for the people, by the people. UQD is a foundation, but because of the co-operation and exchange of information and experience in our worldwide network, it has the character of a co-operative educational and scientific institute. Our target is the implementation of a Good Stewardship of All Life, based upon education that respects history, nature and culture and embraces the sustainable future.

UQD is always interested in new Teachers or Professors who have a desire for knowledge exchange with others. Please contact [prof.s.palmer@uqd-edu.eu](mailto:prof.s.palmer@uqd-edu.eu) CC: [patrick@uqd-edu.eu](mailto:patrick@uqd-edu.eu) if interested.

Our Brother Hubert Zeitlmair has a new video on his research at Malta, do have a look, you might wish visit or find a way to support. <https://www.youtube.com/watch?v=GG4YiS7ctwU>

## Knights in Action

Each issue this section will showcase all the Great Work that our White Knights are doing worldwide in their own communities.

This issue we wish to highlight the good work that our very own Grand Master Stephen Palmer is doing in the land formerly known as British Columbia, Canada, which has since been renamed **Tamxwulaxws** to indicate it's status change to a Sovereign land, which was co-signed by Grandmaster Stephen Palmer on March 28, 2013. For more information visit our website [www.uqd-edu.eu](http://www.uqd-edu.eu) click "White Knights" tab and select sub section "New Nation".

Grand Master Palmer also works tirelessly behind the scenes assisting countless people from all over the world who suffer from cancer, hepatitis C and other chronic/life threatening conditions, heal themselves. When "conventional medicine" tells these people they cannot be cured, Grand Master Palmer offers them not only hope, but for many a cure using a combination of natural and alternative medicine modalities.

## Pay Close Attention

Dear Friends, Greetings!

Without further a due, let me pass it on, the Vibe of the AEON. Listen to Sir David Connelly, transmitting the Vox Populi, the “Genie is out of the Bowl”, heed his words, for YOU were BORN FREE, in-deed, YOU are Sovereign, Omnes Sumus Deus!

Here we go again, yet another rigged outcome, well, as they say with darts, Game On ...

### *Book Publishing & Patents under UQD*

Some Knights have stepped forward in showing interest in publishing books under the UQD label. Others have created inventions to which they may seek non-traditional patents for. As such, we need to think of creative ways to handle such requests under our Knights cloak. We value our Knights and deem their contributions to be extremely valuable, so if you have any suggestions on how we can initiate this process, do let us know.

Its suggested that any 'copyright' stays with the creator of said materials, any 'sales' directly to creator's account, if abundance, Free Will decides if the Creator sees fit to share with the UQD Foundation to help support projects around the globe. Prince Patrick also suggests that “If our Sovereign 'status' confirmed by those alleged 'authorities' of the Sea/Vatican/UN/QE, we may consider putting shared 'property' in a Common Trust for the Go(o)d of All-That-Is”.

### *Individualized “Coat of Arms”*

If you have visited the UQD website lately you may have noticed that under the “White Knights” tab subsection “Knights & Apprentices” that a few changes have taken place. Several Knights and Apprentices have located beside their names a small shield icon which when clicking on it, makes visible their own personalized “Coat of Arms”. Knights who do not currently have their arms, will receive them at a later date from Grand Master Palmer. Being a Knight can sometimes be a selfless journey, and while we may not have a lot of fanfare in our Knighthood, however, these “arms” are very real in the Spiritual Realms.

We would like to also offer everyone the opportunity to add an “I AM“ page or simply your own Messages page to the website. You are the Creator, so please feel free to make your page your own. Here are links of some of the existing pages:

<http://www.uqd-edu.eu/I-AM-SuzanneEdwards.html>

<http://www.uqd-edu.eu/I-AM-APM.html>

Those that wish have their own page, for the purpose of increasing their visibility or sharing messages, just send Email request to: [patrick@uqd-edu.eu](mailto:patrick@uqd-edu.eu) .

### *UQD Email Accounts*

Many of you have email accounts under our uqd-edu.eu domain, however, only some make active use of them. This is a pity, and apart from that, waste of resources. So, if you wish retain your account, just log-in before January, for will delete ALL accounts unused. If you lost account info, just let us know.

### *Who2Help & Help4You*

We wish to draw your attention to certain two new sections on our UQD website [www.uqd-edu.eu](http://www.uqd-edu.eu) .

The first is entitled “Who2Help” which is a list of projects/dreams that people wish to realize. The best way to realize your own dream is to assist other’s with theirs! Do you have a dream/project you wish to share? If so please share it with us, and we would be more than happy to have it listed.

The second is entitled “Help 4 you”. The purpose of this section is for individuals to willingly come forward, and place their names and contact information to provide direct personal assistance for those who may be visiting the site who are in need of help. You can elect to choose to help in the following geographic areas: Local, Regional, Country, Global or Anywhere. Currently, it is a pretty lonely section with very few names listed. Now while we may not be able to help everyone/everywhere there are various commitments you can select to best suit your capability. You may only elect to be listed in your local area which is perfectly fine. Any help especially when not asking anything in return is never fruitless. Remember help can mean merely sharing wisdom, compassion, or lending a listening ear to someone in need. Those of you who may have more resources or capabilities, may wish to select the “anywhere “option. We truly hope that you will also find merit in this section by adding your name to the list, in whatever geographic location feels right for you, by Expression of Free Will.
